Using our extensive competition experience safety was paramount when designing our cage. One of a key safety features is that we have spaced our cage away from the tub to provide improved protection in case of a side impact.

Cage Prices & Options

6 Point Cage CDS Tube
£749

6 Point Cage in Lightweight material (T45 equivalent)
£890

Standard Cages weigh 33Kg, whilst the lightweight cages weigh 27Kg.

The PlaysKool Cage has been designed to be stronger than the other cages currently available for Westfields, whilst remaining as lightweight as possible for competition & road use. This isn't just a competition cage, we hope that you can see the benefits of our cage also for road use.
